Tuition and Fees

TUITION PAYMENT

Graduate students who register at least six weeks prior to the start of classes will receive an email notification to their Lehigh email account that their tuition bill is ready to view online at the e-Bill Suite. Students that register less than six weeks prior to the start of classes will most likely not have a tuition bill generated prior to the start of classes. Late registration does not excuse the student from satisfying financial obligations by the announced semester due dates. Students registering after the announced semester due date should be prepared to satisfy their financial obligations at the time of registration. Students can review their current account balance online 24/7 by logging into the e-Bill Suite or the Campus Portal. Information about the various payment options is available at the Bursar's Office web site at www.lehigh.edu/inburs/ (http://www.lehigh.edu/inburs/) or by calling the Bursar's Office.

TUITION REFUNDS

A student in good standing who formally withdraws or drops a course(s) before 60% of the semester has been completed is eligible for a tuition refund. Academic fees are non-refundable after the first day of classes. **The "first day of classes" is considered the first day of the semester, not the first day a particular class meets.** Courses not following standard semester dates will have percent-of-semester-completed refunds based on dates for that specific course. Online courses percent-of-semester-completed are based on access availability, not if/when student first accessed course material. No tuition refunds will be made for courses of one week or less after the first day of class.
