The Global Union is a student-led collaboration of more than 20 student clubs and organizations that promote global awareness and cultural understanding within the Lehigh community. Students involved in the Global Union hail from all corners of the globe, and hold positions as Executive Board, Ambassador, or Member Club representative.

The Global Union sponsors and supports events from member clubs in addition to their own programming. They play a large role in International Education Week, The International Bazaar, and welcoming new students to campus each August & January. All events sponsored by the Global Union are free and open to the Lehigh community.

For more information regarding the Global Union, see the website at [global.lehigh.edu/globalunion](http://global.lehigh.edu/globalunion/) (<http://global.lehigh.edu/globalunion/>).
