Release of Final Grades

Grades for undergraduate students are available online as soon as possible following the deadline for reporting of grades using the Banner Student Information System. Undergraduate students who require a printed grade report must submit the request in writing to the Registrar's Office each term. Instructors may develop their own policies for release of unofficial reports of academic progress to individual students, or to their advisers, deans, or financial aid officers, on a need-to-know basis, including early release of unofficial final course grades. Any such policies must respect the rights of students privacy.
