Lehigh has developed a number of centers and institutes to provide
greater research and academic opportunities for students and faculty.
Centers and institutes are generally interdisciplinary and complement
the scholarly activities of academic departments and represent
scholarship and research based on the expertise and capabilities
of a group of faculty members. Frequently, centers relate to the
broad-based research needs of government, industry, and the social
community.

RESEARCH ORGANIZATIONS/ DIRECTORS AND STAFF
Directors and staff members of the university’s research centers and
institutes are listed. Complete degree information may be found in
the faculty and staff alphabetical listings. In some cases, areas of
research interest are given.

All addresses are Bethlehem, Pa. 18015, and the area code is (610).
