

## Supply Chain Research (Center for)

---

Rauch Business Center, 621 Taylor St.

### **CENTER MISSION**

The Lehigh Center for Supply Chain Research (CSCRL) bridges theory and practice to promote a collaborative exchange of ideas on critical issues affecting supply chain management. By leveraging Lehigh's faculty, students, alumni and industry partners, the Center brings the latest developments in research and best practices together to generate new ideas for education and future knowledge in the field of supply chain management.

### **WHAT THE CENTER DOES**

- Provides a unique, multidisciplinary approach to research, offering exciting new opportunities for innovation by integrating analytical and quantitative engineering approaches with process-driven and field-based business research.
- Conducts professional development seminars and symposiums, APICS certification courses, and executive round tables.
- Disseminates research findings through professional conferences, scholarly publications, and curriculum development.
