The Global Union, located in Coxe Hall Room 215, is a collaboration of more than 50 student clubs and organizations that promote global awareness and cultural understanding within the Lehigh community. Students involved in the Global Union hail from all corners of the globe, including nearly half from the United States.

The Global Union hosts panel discussions on world issues, a large International Education Week celebration, dinners and cultural festivals, and musical performances. All events at the Global Union are free and open to the Lehigh community.

The Global Union lounge is open from Monday-Thursday from 4-9 p.m. for student meetings and program presentations. To reserve the space, visit <https://globalunion.youcanbook.me/>.
