### **IACOCCA INTERNATIONAL INTERNSHIP PROGRAM**

There are many opportunities for Lehigh University students to gain hands-on experience in an international setting. For a complete listing, please refer to the Study Abroad website (<http://www.lehigh.edu/%7Eincis/>). Lehigh University's Iacocca International Internship Program, as referenced here, specifically relates to a program that provides students with fully-funded fellowships to participate in internship, research, or practicum experiences in organizations around the world. The program provides full-time, non-credit bearing experiences that run for six to twelve weeks over the summer, allowing for a true cultural immersion.
